“The only way to do great work is to love what you do.”

Education

Chungbuk National University

B.S. IN SOFTWARE ENGINEERING, CONCENTRATION IN ARTIFICIAL INTELLIGENCE

- Total GPA of 4.10 / 4.5, Major GPA of 4.22 / 4.5 (Credits taken: 141 / 140)

Cheongju, S.Korea

Mar. 2022 - Feb. 2026

Publications

A Lightweight Safety Helmet Compliance Detection via Multimodal Fusion

AAAI-26 STUDENT ABSTRACT AND POSTER PROGRAM

- Proposed a lightweight YOLO11-pose fusion model that enhances helmet compliance detection with higher accuracy and fewer false alarms in real time.

📄 Cheongju, S.Korea

May. 2025 - Sep. 2025

Internships

Data Analytics Lab

UNDERGRADUATE RESEARCHER

- Conducted research on 'A Lightweight Safety Helmet Compliance Detection via Multimodal Fusion'.

Cheongju, S.Korea

Apr. 2025 - Dec. 2025

Project Experience

Finflow : Managing equity portfolio risk with reinforcement learning

TEAM LEADER

- Capstone design project for graduation
- Developed a reinforcement learning model for portfolio rebalancing that mimics immune system responses.

Cheongju, S.Korea

May. 2025 - Oct. 2025

Dibidibidip : AI model for meat nutrition analysis

TEAM LEADER

- Developed an AI model to analyze nutritional facts from a photo of meat with a hand using a segmentation model and depth estimation model.
- Collected and labeled images yourself for your segmentation model.

Cheongju, S.Korea

Sep. 2024 - Dec. 2024

Honors & Awards

AWARDS

- | | | |
|------|--|-------------------|
| 2025 | Excellence Academic Achievement Award (Spring) , College of Electrical and Computer Engineering | Cheongju, S.Korea |
| 2025 | 3rd place , Dacon Basic in predicting thyroid cancer | Dacon |
| 2024 | Best Academic Achievement Award (Fall) , College of Electrical and Computer Engineering | Cheongju, S.Korea |
| 2024 | Excellence Academic Achievement Award (Spring) , College of Electrical and Computer Engineering | Cheongju, S.Korea |
| 2024 | Encouragement Award , 2nd Solve-up® Programming Contest | Cheongju, S.Korea |
| 2023 | Encouragement Award , 2nd Solve-up® Programming Contest | Cheongju, S.Korea |

HONORS

- | | | |
|------|--|-------------------|
| 2025 | Semester High Honors , Awarded to students with high achievements throughout the semester | Cheongju, S.Korea |
| 2024 | Semester High Honors , Awarded to students with high achievements throughout the semester | Cheongju, S.Korea |
| 2023 | Semester High Honors , Awarded to students with high achievements throughout the semester | Cheongju, S.Korea |

Program Committees

- | | | |
|------|---|---------|
| 2024 | Certificated , LG Aimers, 6th Cohort | S.Korea |
|------|---|---------|

English Proficiency

- 2025.08 – TEPS 378
